NOVEMBER, DECEMBER HOLIDAY SHOPPING GUIDE

Products and services with appeal to guitar players all year long, showcased at that special time of year when gifts are given and received.

You are Now Free to Play

Planet Waves' NS Artist Capo raises the bar on raising the pitch. This new capo features a front-facing design, which alleviates interference with the fretting hand. It also features an adjustable tension micrometer to let you finely modify the tension of the capo, allowing for buzz-free, in-tune performance at every fret. You are now free to play. #yearofthecapo daddario.com
